

MATHS DIY

GCSE TOPIC BOOKLET SYMMETRY

1. Complete the following figure so that it is symmetrical about the line PQ .

[2]

2. Draw all the lines of symmetry on the following shapes.

[2]

3. (a) Draw all the lines of symmetry on the following diagram.

[2]

- (b) Draw two more shapes so that the completed pattern has rotational symmetry of order 4 about O.

[2]

4. Copy the shape below so that AB is a line of symmetry.

[2]

5.

(c) Draw all the lines of symmetry on each of the following patterns.

[3]

(i)

(ii)

6. Draw patterns like the given one in each of the other 3 sections so that the completed pattern has rotational symmetry of order 4 about O .

7. Draw all the lines of symmetry on the following shapes. [2]

(i)

(ii)

Write down the order of rotational symmetry of the two shapes [2]

(i)

(ii)

8. Draw **all** the lines of symmetry on each of the following patterns.

[3]

(i)

(ii)

9. (a) Draw two more shapes so that the completed pattern has rotational symmetry of order 4 about O .

[2]

- (b) Draw all the lines of symmetry on the following two diagrams.

(i)

(ii)

[2]

10. Complete the following figure so that it is symmetrical about the line PQ . [2]

11. Draw all the lines of symmetry on the following diagram. [2]

12. Draw two more shapes so that the completed pattern has rotational symmetry of order 4 about O. [2]

13. Complete the following figure so that it is symmetrical about the line AB .

[2]
